

STEALTH

The Ultimate Fragrance Diffuser

STEALTH

Versatility matters:
Large spaces,
Stealth has it covered

How much fragrance? How much space?

Six refill ports and seven fan speeds offer the most affordable and effective solution for fragrancing large and challenging spaces.

Mount the Stealth on the wall using the multidirectional wall mount (sold separately), or on the floor using the integrated flip stand which aids in directing the fragrance release towards the center of the space.

The Stealth is your solution for large areas in: hotels; offices; condominiums; hospitals; nursing homes; long-term care facilities; locker rooms; large stadium restrooms and trash compactor rooms... In fact, it is your solution for any large space you can think off!

Environmentally Friendly

- No aerosols, harmful solvents or propellants
- Uses pure essential and fragrance oils
- Refill cartridges are recyclable

Odor Neutralization

- Attack and neutralize malodors with Odoraxe™

Save Time

STEALTH

Floor or wall placement

The Stealth has been designed with an integrated stand enabling it to be placed either on the floor or elevated surface. Use the wall mount for higher multidirectional permanent installation option.

Space

The HYScent Stealth can fragrance a space of approximately 3,500 sq. ft. The installation and placement of the Stealth is paramount to achieving maximum coverage.

Lasting Fragrance

Advanced Polymer Absorption Technology (APAT) ensures the Stealth refills will last for up to 30 days dependent upon user settings.

Color & Style

Designed for today's "gadget conscious" world, the Stealth is a welcome addition to any decor. A clear departure from the boxy styling in use today, the Stealth stands alone as a tasteful, elegant solution for your fragrancing needs. Stealth is available in either WHITE or BLACK. Refill cartridges and wall mounts are available in WHITE.

Environmentally Friendly

HYScent refills are made from a proprietary blended polymer infused with pure fragrance oils and pure essential oils. The absence of propellants and harmful solvents make HYScent refills the "eco" conscious solution for your fragrancing needs. Your customer will smell only pure fragrance oil and NOT propellants and harmful solvents that diminish the character and efficacy of the fragrance.

Controllability

Digital timer programmability, six port refill compartment, seven fan speeds and remote control operation, makes the Stealth the best choice for your large spaces.
